## THE BEST SOLUTION FOR ALL INFRASTRUCTURE BUSINESSES

### FROM CHAIRMAN'S DESK

PKM INFRASTRUCTURE has been taking a leading role in providing construction services with an uncompromised commitment to Quality, Health, Safety, and Environment. We do this through the combination of an open relationship with our employees based on mutual trust, transparency, accountability, and discipline.

In preparation to meet the growing market demands for diverse construction, PKM INFRASTRUCTURE has heavily invested in employing a highly qualified management team and staff to meet standards and has purchased state-of-the-art equipment to participate in upcoming, challenging large-scale projects. Being proud of our achievements, we will continue to further enhance our commitment and capabilities in the construction industry with integrity, and strive for business excellence.

## OUR VISION

We are a relationship oriented company where customers are top priority. We are dedicated to making their construction experience a successful one. We are known for providing outstanding quality, meeting time commitments and being budget oriented. "We will leave the world better than we found it!"

## OUR MISSION

To form a team dedicated in providing exceptional customer service. We aim to provide a professional approach to constructing exceptional quality projects which meet established budgeting and scheduling goals.

# WE ARE DEDICATED TO PROVIDING THE BEST POSSIBLE SERVICE

## HSE POLICY

Our Policy is project oriented. We strive to achieve and meet HSE requirements of our clients in both Public as well as Private sectors during project implementation.

In recognition of our safe construction practices, and several Man Hours of Lost Time Accident Free (LTA free) Site Management during past 55 plus years, we enjoy a preferential treatment from our clients through repeat orders.

## DELIVERING EXCELLENCE

We are uncompromising in our pursuit of excellence, and we take great pride in delivering high-quality assets and experiences. We continually find ways to work faster and smarter, respond to challenges with ingenuity and innovation, and earn the trust and respect of our clients and stakeholders. We believe in doing things right the first time, every time, and place value on diligent planning and fostering relationships.

## ACTING WITH INTEGRITY

A deep commitment to ethics and fairness guides how we do business. We hold our work – and our people – to the highest professional standards. At the end of the day, we believe that doing the right thing and treating everyone with respect is the only way to do business.

## CREATING OPPORTUNITIES FOR PEOPLE

We offer skill development, training programs, and career growth paths for workers at all levels. It includes hiring locally, promoting from within, ensuring safety, and supporting entrepreneurship through subcontracting. This builds a strong workforce and uplifts communities.

## INNOVATION

We see change as an opportunity - not a threat. This unique mindset allows us to be innovative in the marketplace and sets the standard for future movement. We are not only thinking about the future, we're building it.

## INFLUENCE

Taking bold actions that will advance the future of our company and our community for a better tomorrow. We value stepping up in the right ways, in order to stand out!

## SOPHISTICATION

We work hard to remain advanced, cutting edge, highly developed, and aware in a rapidly growing market.

## SYNERGY

Collaboration and cohesiveness are strengths that set PKM Infra ahead and allow us to make an impact. We encourage our employees, partners, and clients to collaborate and showcase the impact of unity.

## CREATIVITY

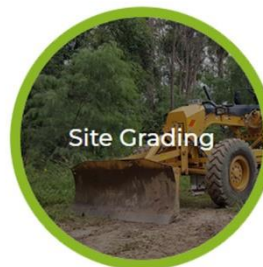

We encourage our employees to bring their creative minds to the table each morning as we are determined to find the best solution for our customers, partners, and community.

## RELATIONSHIPS

It is our aim to align ourselves and partner with others that uphold high standards and values in the workplace.
